ABOUT PSONS

The Puget Sound Chapter of the Oncology Nursing Society (PSONS) presents the 32nd Annual Cancer Symposium. PSONS was formed in 1978 by a group of nurses who sought to bring education and mentorship to nurses in all practice settings caring for cancer patients.

SYMPOSIUM OBJECTIVES

At the conclusion of this symposium, the participants will be able to:

1. Identify new and innovative therapies in MDS and blood transfusion treatment.
2. List two ways to improve nurse/physician communication in clinical practice.
3. Cite two ethical dilemmas in Washington Death with Dignity Act.
